

Central Alberta Medical Imaging Services

Central Alberta Medical Imaging Services (CAMIS) is offering exceptional career opportunities for Sonography Canada credentialed (CRGS)/ registry eligible sonographers. CAMIS is a progressive, fast growing, diagnostic imaging practice with 9 locations serving central Alberta.

We are excited to announce that we will be opening 2 new satellite clinics in the communities of Lacombe and Innisfail later this year. Full, part-time positions, and casual positions are available at our satellite clinics throughout central Alberta as well as at our Red Deer locations.

CAMIS offers a full range of diagnostic imaging services. Ultrasound imaging includes echocardiography, general sonography, MSK, nuchal translucency screening, Ltd. ABI, carotid, DVT and venous mapping studies. We are also a clinical site for sonography students. Whether you're a new grad or a seasoned sonographer, opportunities for growth abound with CAMIS! Learn MSK and nuchals through our in-house training programs and after a year of work experience, join our precepting team.

Requirements for Interested Applicants:

- Diploma from accredited Diagnostic Medical Sonography program (or equivalent)
- Active CRGS credentialed member of Sonography Canada with professional liability insurance
- MSK and/ or cardiac experience an asset
- New grads and all experience levels encouraged to apply.

CAMIS is committed to providing a rewarding work environment for all our employees. We offer competitive salaries, RRSP contributions, generous benefit package, paid professional dues, and numerous CME opportunities. Signing Bonus or relocation assistance is provided.

We are a cut above our competition when it comes to our continuing education program and extensive wellness program. CAMIS was the recipient of the Sonography Canada Continuing Education Award, recognizing our organization's significant support and influence on the education of sonographers. Our on-site gym provides all staff with the opportunity to maintain a healthy lifestyle. Join our organization whose mission is to provide high quality, state-of-the-art medical imaging while ensuring the health and happiness of all staff.

Janine Benning CRGS, RDMS
